DIY Egg Shakers
DIY Egg Shakers

Needed Items

Plastic Eggs
Tape
Hot Glue
Scissors
Fillers: beads, pom poms, pipe cleaners, golf tees, coins, rice, sand and other small items.

Directions

Place roughly 1 tablespoon of assorted fillers into each egg. Glue inside lip of one egg half and quickly push halves together. Use hearty tape to further secure seam of egg.

Use a variety of items to create different sounds, weights, and feels!
